

Door selector

Whether you opt for painted or stained we have a wide selection of colours and finishes to offer, with a view to designing the ultimate kitchen.

As well as having our standard painted and stained finishes we also use specialised techniques to produce a unique range of metal paints that when used as a focal feature will set your kitchen design well apart from the rest.

Ex-Stock Colours EX

Some ranges are also available in a selection of Ex-Stock Colours. These are colours that are popular and therefore we use them to pre-finish a number of our kitchens and make them available in a shorter amount of time.

We offer a selection of 30 paint colours in a variety of hues that are applicable to Aldana, Arrington, Belgravia, Clifden, Ellesmere, Florence, Georgia, Harborne, Jacobsen, Jefferson, Madison, Strada Matte, Tavola, Wakefield, Winslow and Zola Matte.

Stained To Order STO

Grappenhall Kitchen Company offer a selection of 6 stains in a variety of hues that are applicable to Rezana and Tavola. We also offer a further 6 stains exclusive to the Kelso range only.

Depending on the grain structure of your chosen door there will be variations in colour from range to range.

Grappenhall Kitchen Company will always try to maintain its lead-times for painted colours, however, capacity will ultimately determine the time taken to despatch orders. In times of increased demand and seasonal fluctuations, lead-times can be extended, and customers will be informed of the actual painted lead time via [uform.co.uk/lead-times](https://www.grappenhall.co.uk/lead-times) and the despatch date will be on the acknowledgement form.
